Length: Up to 40'  
 Width: Up to 6' without seems

### EDGING

High Profile

ADA Compliant

### LIMITED WARRANTY

Full Commercial Warranty 1 years

### Summary of Warranty

Products must be professionally installed to validate the warranty. Langhorn Flooring Concepts Inc. warrants Natural Coco Custom + Logo Matting against wear for a period of 1 year in a commercial application, not including edging. This warranty applies only to material that is maintained according to our maintenance instructions. If the defect is covered by this warranty and is reported to Langhorn within the warranty period, Langhorn will supply new custom matting of the same or similar grade to repair or replace the defective material.

### Wear

Fiber loss is defined as pile reduction that exceeds 20% in any one area, or to the point the backing is showing through to the top of the mat.

### Manufacturing Defects

Langhorn Flooring Concepts Inc. warrants Natural Coco Custom Matting + Logo Matting materials are free from manufacturing defects and will replace custom matting for a period of up to one [1] year from date of purchase. Langhorn will not pay labor costs to repair or replace materials that defects were apparent before or at the time of purchase.

### Other Limitations

- This warranty is non-transferable
- Manufacturing defect must be reported within 3 months from date of purchase.
- This Warranty covers only properly installed & maintained floors.

- Langhorn Flooring Concepts Inc. excluded and will not pay for any consequential or incidental expenses.
- Langhorn Flooring Concepts Inc reserves the right of final judgment and may refuse claims in certain instances.

Sheet/Roll Width (± 2%): 6'7"

### TECHNICAL SPECIFICATIONS

Antistatic: Yes  
 Pill Test: ASTM D2895 Passes

### FLAMMABILITY RATING

Radiant Panel (ASTM E648 / DIN 4102): Class II

### LEED-NC

MR Credit 4 | IEQ Credits 4.1, 5

### MAINTENANCE

Regular vacuuming (Weekly in low-traffic areas, and daily or twice daily in areas with higher traffic) with a motor-driven brush and beater bar can remove up to 80% of surface dirt, and is the easiest way to prolong the life of your carpet.

Regular vacuuming is key to maintaining your carpet, but eventually the carpet color dulls from dirt and grime stuck in the fibers. The dirt is then carried further into the building to form more soil reservoirs. Additionally, the oil content (15%) of the soil causes particles to stick to carpet fiber and resist vacuuming. To restore the carpet to its best condition, frequent light cleaning gives the best result and is often very cost effective.

\*For more information, plus instructions for stain removal, consult Langhorn's Resource Center at [www.langhornfci.com/resources](http://www.langhornfci.com/resources)

\*All colors (except Natural 2013-03) are vegetable dyed. Color transfer may occur if material gets wet.
